# Acknowledgements:

This publication was made possible by a grant from the **District of Columbia State Mental Health Planning Council**. The initial publication was in 2008. We at DMH would like to take the time to thank them for their support and commitment to the young adults of Washington, DC.

The Department of Mental Health would like to personally and especially thank Zachary Thompspon, Rachel Dansbury, Deshaun Buchanan and Malika Fateen, four young adults whose active and insightful participation in the work sessions to assist in the development of this resource guide was much needed and greatly appreciated. We also want to thank Reality Unlimited, Inc. for its consultative expertise, our community providers and advocates and DMH Child and Youth Services Division staff members for their support and active participation in making this project a success.

# Don't Quit

*When things go wrong as they sometimes will,  
When the road you're climbing seems all up hill,  
When the funds are low and the bills are high,  
And you want to smile, but you have to cry,  
When care is pressing you down a bit,  
Rest if you must, but don't you quit.*

*Life is hard with its twist and turns,  
As every one of us sometimes learns,  
And many a failure turns about,  
When they might have won had they stuck it out,  
Don't give up though the pace seems slow,  
You may succeed with another blow.*

*Success is failure turned inside out,  
The silver tint of the clouds of doubt,  
And you never can tell how close you are,  
It may be near when it seems so far,  
So stick to the fight when you're hardest hit,  
It's when things seem worst, that you must not quit.*
